

PARTNERS FOR PALAU

a northwest mission opportunity

a new MISSION OPPORTUNITY

Northwest Adventist members have a mission-partnership opportunity beyond their own borders—the island country of Palau. Palau is part of the Guam-Micronesia Mission (GMM), which covers a vast area of the western Pacific with myriads of island groups. Since GMM is also within North American Division (NAD) territory, the NAD has asked each of its nine union conferences to adopt an area within GMM. Palau is the assignment for North Pacific Union Conference.
